Commercial Mixed Use 2 (CM2)

Two images illustrating the CM2 zone: a 3D architectural rendering of a modern, multi-story building and a photograph of a real-world building with a red brick facade and large windows.

The CM2 zone is a medium-scale, commercial mixed use zone intended for sites in a variety of centers and corridors, in other mixed use areas that are well served by frequent transit, or within larger areas zoned for multi-dwelling development. Buildings in this zone are generally expected to be up to four stories, except in locations where bonuses allow up to five stories.

For specific zoning code details, visit the [zoning code website](#). The regulations for this zone are found in [Chapter 33.130](#).

Generally, the uses and character of this zone are oriented towards:

Specific allowable uses include: retail sales and services, office space, household living, vehicle repair, institutional uses and limited manufacturing uses.
